

Year 1 Summer 2

English

- Reading books 'Meerkat Mail' by Emily Gravett and 'Lost and Found' by Oliver Jeffers
- Writing a description of a place
- Features of writing a letter
- Writing a reply to a letter
- Using descriptive language to create a lost poster
- Using simple sentence structures
- Writing sentences to create short narratives
- Write a monologue – first person
- Creating a story extension

Design and Technology

- Cooking and nutrition
- Design appealing products for a particular user
- Taste a range of fruit and vegetables
- Use simple utensils and equipment to e.g. peel, cut, slice, squeeze, grate and chop safely.
- Select from a range of fruit and vegetables according to their characteristics
- Preparing fruit and vegetables
- Evaluate ideas and finished products against design criteria

Physical Education

- Travelling – ball control
- Ball games – throwing and catching
- Performing jumps - obstacles
- Moving – running
- Gymnastics

Science

Growing and Cooking

- Where does my food come from?
- Introduction to farming and how fruit and vegetables can be grown on a large scale

Planting

- To observe and describe plant growth over time
- Planting flowering plants

Seasonal Changes

- To observe changes in Summer
- Understanding of daylight hours

Music

Exploring various songs from different time periods. Learn to sing a song about friendships with progression to play the song on an instrument.

Mathematics

Money

- To find the total cost of two items
- To exchange money for items.
- To calculate change

Multiplication and Division

- To describe and create arrays
- To divide into equal groups and find the number of groups.
- To find double and half of an amount of money.
- To develop understanding of halves and quarters

Measures: Capacity and Volume

- To compare capacities by measuring in non-standard units.
- To explore difference by comparing measures of length and volume.
- Apply understanding of fractions to capacity
