Language

We recognise that many children have the ability to speak and understand a number of different languages and that this is a great skill. We currently have at least 32 languages that are spoken across the school that reflects the wonderful diversity of our school community. The school budget is also affected by the information that we hold on languages spoken by our children and so it is really important that this information is correct. This will help to ensure that Gilbert Colvin Primary School does not lose out on additional funding which can be used to support us in providing high quality education for all children.
