

History Research Homework

In history we have been learning about British seaside.

For this week, the task is for your child to research seaside experiences. Kindly have a talk with your child about your own experiences at the seaside and if possible, they could interview a grandparent too! The idea is to recognise some differences and similarities between the past and present.

Here are some questions to think about

Which activities did you take part in at the seaside?

What did you eat at the seaside?

How did you travel there?

Which seaside did you go to?

What was your favourite thing to do?

Who did you go with?

What essentials did you take with you?

Please also read and answer the text called 'A Victorian Seaside'
